## Paying Close Attention At Meeting

Keenly watching and listening at meeting of Stratton School Building Committee at Industrial Arts School Library, Thursday night were group of parents above. Seated in background are members of the School Committee. Photo by Lemos.

## See Stratton Opening Feb. 5, Moving Started

The following letter relative to the controversial Stratton School has been received from the School Building Committee:

"Substantial completion of the new M. Norcross Stratton Elementary School on Pheasant Avenue was announced by the

(Continued on Page 6)

### News Flash

The NEWS learned at PRESS Time that all work will be completed at the Stratton School Saturday, January 27.

The Stratton School Building Committee unanimously voted Thursday night to consider the building substantially completed subject to the approval of the Town Council.

At the same time contractor John Grande told the Building Committee, the School Committee and some 60 spectators at a meeting held at the Industrial Arts School that he would be out of the building by Jan. 26. Supt. of Schools Dr. Roens had previously recommended a February 5 opening date.

Chairman of the Building Committee, Daniel Whitney, stated after the motion made by the Town Manager, a member of the committee that, "As of now, in my opinion, it is in the

(Continued on Page 6)

### The Contest

"Call early" would be the words of advice to those seeking victory in the Arlington News, "Find the Error" contest.

Last week the mistake was in the spelling of the word permanent in the House of Dorelle advertisement.

Once again the News gave out ten crisp one dollar bills to the first callers.

The response was once again very spontaneous.

Check this week's paper carefully. When you think you have found the advertising mistake, call either MI-8-1387 or MI-8-4829 after 9:15 a.m. Thursday, Jan. 25.

The mistake will not be buried. It will be fairly obvious and in a good sized ad.

Town Meeting members will be called on to act on a record shattering 108 articles at Town Meeting in March.

Included are three separate articles requesting pay hikes for some town employees; a request for funds for the construction of a parking area off Railroad area; a request for funds to obtain plans for the construction of an addition to the high school; and 18 zoning articles submitted by 10 or more registered voters.

## Sullivan Named Town Manager In Connecticut

Arlington has lost another fine Administrative Assistant, James Sullivan, 36, who was appointed to the post in the summer of 1957 and became Assistant Purchasing Agent a year later has been named Town Manager of Watertown, Conn., a community with a population of 15,000; Watertown is a residential suburb of Waterbury.

Sullivan was carefully selected from an initial group of 42 candidates which included many former and present Managers. This list was cut to eight, and then four. From that point the men "still in the running" were given I.Q. tests, supervisory abilities tests and emotional stability tests, and finally were checked out in a "Key Man" test.

Waterbury, formerly a town governed by a Board of Selectmen has recently changed to the Manager-Council type of government.

The new manager will report for his position Feb. 12.

Sullivan was born Dec. 11, 1925 in Somerville and attended St. Joseph's School, Somerville, and St. John's, N. Cambridge. He attended Boston College and

# Medford Goalie Halts Arlington With 29 Saves; 1-1 Tie

Medford's jinx held over Arlington in G.B.J. competition at the Boston Arena Saturday afternoon.

Sparked by the goal-tending of John Fazio who turned back a total of 29 Arlington shots, Medford knocked the locals four points off the league-leading pace of Newton which stopped Brookline 4-1 for its eighth decision in nine games.

In other games, Cambridge Latin edged closer to Arlington blanking Waltham 3-0 and Rindge Tech drubbed Somerville 7-3.

After a scoreless first stanza, the locals fell behind in the second period when Joe Ciavardone tallied at 1:45. Bob Costello passed to Don Buckley who fired on Allosso. The Medford linemen picked up the rebound and scored from right out in front.

Bob Carr scored the only Arlington marker of the day at 4:12 of the same period with an assist going to Co-captain Pete Lax.

Arlington's hopes now rest in a win over Newton Saturday and the possibility that the league-leaders will be knocked off by another team before the end of the season. This would leave the locals in at least a tie for the top spot.

Medford handed Arlington its only defeat of the season, 3-0, in their previous meeting.

## Fidelity House Notes

INTRAMURAL BASKETBALL  
Boston College wins again! A week ago last Monday in Fidelity House 5th and 6th grade basketball league, B. C. won its third straight game, downing Harvard 12 to 5. Charlie Carella had a great day with 10 points. In the other game Jim O'Connell (5 points) paced Holy Cross to an 11-8 win over Army. League standings are now:

	W	L
Boston College	5	1
Holy Cross	3	3
Army	2	4
Harvard	2	4

A week ago yesterday, in the 7th and 8th grade league, the Royals fell back into a tie for second place by losing to the Knicks, 31 to 14. The Knicks, ahead by only a 10 to 8 score

## Garden Club

Members of the Arlington Garden Club learned many new facts about the culture and propagation of lilies from the illustrated lecture Mrs. Burton H. Rice gave recently. Mrs. Rice is a member of the Lily Society and a prize winner for her Lily specimens.

Mrs. Eli Reingold announced that the following were winners in the Christmas Door Decorating contest. Mrs. Wesley A. McSorley, Jr. first; Mrs. Russell S. Carr, second; Mrs. John McLaren, third and Mrs. David T. Gately, Honorable Mention.

grade will have the opportunity to visit two points of interest and have lunch enroute. The group, limited to 50, will leave Fidelity House at 9:15 a.m. and return approximately at 2:30 p.m. Tickets at 50¢ may be purchased at Fidelity House.

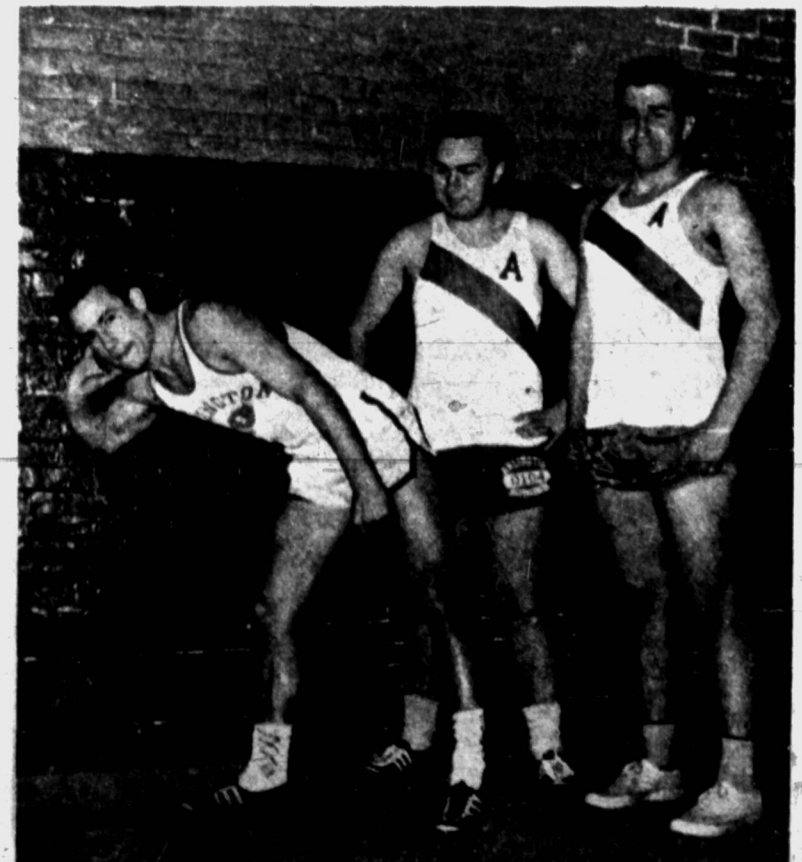

St. Agnes' Hockey Intramural All-Stars vs St. Agnes Jr. Varsity Feb. 4, at 1:15 p.m. at the Boston Skating Club. Admission is free

## Legion Plans Expansion Of Membership

Plans for expanding the membership of Arlington Post No. 39 of the American Legion have been announced by William E. Bonin commander.

"The Post has been stepping up its community service and youth programs this year and has decided that the time has come to increase its members too," commander Bonin said.

Membership in the Post for 1961 was 1250 and 950 have already paid their dues in advance for 1962. With further renewals and new members, Commander Bonin stated that an enrollment of 1500 is expected by the close of 1962.

The committee headed by Sr. Vice Comm. McEwen has been receiving from present members names of veterans who are being recommended for legion membership. During this period, all members are asked to help out in this very worthwhile program and to assist in any way they can in order to make it the success that it warrants.

Commander Bonin said that the plan for stepped-up local activities and the enrollment ties in with a national program announced by National Legion Commander Charles L. Bacon of Kansas City, Mo. National Commander Bacon has asked all American Legion Posts to consider plans for expansion as a means of strengthening American communities.

## Woman's Club

"Visit Africa before the rare animals and their natural habitat are gone," said Dr. Gustave Landt at the Jan. meeting of the Arlington Woman's Club. Dr. Landt accompanied the colorful movies with a talk of his many African Safaris. The Art Corners featured African exhibits.

Memorial tribute was paid to the three members who have passed away. Mrs. Charles H. Doty, last charter member, Mrs. Nathan R. Wood, past president and Mrs. Laurence S. Faunce, Social Chairman.

Dennis Nolan received the January certificate for being an outstanding student at Arlington High.

## Engaged

A May wedding is planned by Miss Jean M. Goulart, daughter of Mr. and Mrs. Anthony Goulart, Hyde Park, and Mr. James White Jr., son of Mr. and Mrs. James White, Sr., of Arlington. Marshall Studio.

## Citation For Legion Unit

At the recent County Council meeting of the American Legion Auxiliary, Arlington Unit #39 received a Citation for outstanding Rehabilitation work at Bedford V.A. Hospital, under the direction of chairman Mrs. Mae G. Donahue.

Serving on this committee are: Mrs. Beverly Rousakis, Mrs. Margaret Burke, and Mrs. Agnes Svetly.

A ward party is held each month at Bedford V.A. Hospital. Patients play Beano, receiving prizes. Refreshments are served by the Unit at each party. Music is furnished by Mrs. Caroline Auburn for dancing and community singing.

At the Christmas party, two radios were presented to the hospital from Arlington Unit #39. Parties are held on the third Thursday of each month. All members are invited to attend these parties.

To: Mr. & Mrs. Edward H. Marsh (Janice S. Tucker) of 231 Massachusetts Avenue, Arlington, a daughter on January 5, 1962 at Symmes.

To: Mr. & Mrs. Stanley Barrett (Hazel E. Hewson) of 70 Hillside Avenue, Arlington, a daughter on January 6, 1962 at Symmes.

## Rescue Service To Sing First Takes Part In Mass Locally Drowning Search

The Massachusetts Rescue Service, headquartered in Arlington, participated in the search Jan. 21, for Scott Tomyl, 7 years old, of Maynard, who drowned there on Saturday.

Assisting the Maynard Police Dept., Fire Dept., and a number of skin-divers, were 12 men and 6 equipped cruisers from the Rescue Service, under the supervision of Chief Robert Wallace, of Arlington. Also a member of this group was Richard Luongo, of 10 Udine St., Arlington.

The Massachusetts Rescue Service is a voluntary organization which will assist communities of the Commonwealth when needed.

## 250 To Sing

The Arlington Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America will be host to the Section VI Chorus and Novice Quartet Contest and Show for 1962.

Last year Arlington swept the event in Waltham with a winning chorus and a champion novice quartet.

Choruses and quartets from Boston, Lynn, Marblehead, Reading, Salem, and Waltham will be trying out with the locals for top honors in each category at the Junior High East auditorium, Feb. 3, at 8 p.m.

Northeast District judges of the Society, from Providence, R. I., New Bedford, Needham, and Springfield, Mass. will officiate.

The program is open to the public. Stanley W. Bates, 32 Paul Revere Rd., a vice president of the chapter is general chairman.

## Day At Beacon Hill

A group of Arlington Republican Women joined the Republican women of Mass. in a "Day At Beacon Hill," Jan. 24.

A coffee hour and reception will be held at the Bellevue Hotel at 10 a.m.; a box lunch will be served at the State House and then a tour of that building will be conducted.

His Eminence, Richard Cardinal Cushing, announces that Reverend Joseph Vincent McCarthy, son of Mr. and Mrs. Luke E. McCarthy 20 Farrington st., and brother of Margaret M. McCarthy, will be ordained to the Sacred Priesthood Feb. 2, at St. Margaret's Church in Lowell, Mass. The Most Reverend Thomas J. Riley, D.D. will be the ordaining Bishop.

Father McCarthy was graduated from St. Agnes School and Maitland High School. He also studied at Cardinal O'Connell Seminary and Saint Clement's School of Philosophy before entering Saint John's Theological Seminary.

Father McCarthy will sing his first Solemn Mass on Sunday, February 4, at 12 o'clock noon at Saint Agnes Church. Officers of the Mass will be Rt. Rev. Oscar R. O'Gorman, assistant priest; Rev. William J. Pero, deacon; Rev. Bernard J. Lane, subdeacon; Rev. Thomas J. Buckley, master of ceremonies; Rev. Robert E. O'Brien, preacher.

## Outline Plans

Everett Van Valkenburgh, Administrator of Symmes hospital, Frank Nickerson, President of the Board of Trustees, William Haney of Haney Associates, Milton Washburn, Jr., co-chairman for Arlington, outlined plans for the drive to raise funds for an addition to Symmes hospital at a meeting of the Hospital's Women's Aid Association held last week at the Junior Library Hall.

## Letters To The Editor

To the Editor:

Dear Sir:

As a taxpayer with a limited income, being retired, I am very pleased to hear that Thomas R. Rawson is a candidate for Selectman.

In these times with our taxes soaring every year (\$5.70 coming up) we need a man with the long experience Mr. Rawson has had, both on the Board of Public Works and the Board of Selectmen. He understands the workings of every department under the jurisdiction of the Board of Selectmen and has saved the taxpayers of Arlington many thousands of dollars on sidewalk construction alone due to his contracting experience while a member of both boards.

President Kennedy has stressed the need of Physical Fitness Programs for our youth due to the fact that out of seven young men examined

To The Editor

Dear Sir:

I, Paul Russell Campbell do hereby withdraw as a candidate for the office of Selectman.

The election is non-partisan, but there is a party line. We have four registered Democrats and two registered Republicans running for one seat on the Board, therefore I as the "workingman's" candidate, a registered Democrat must let the townspeople know, if those with the background can give you all they say they can and do all the things they say they will, then by all means vote for them.

I, as one member of the Board could only vote for what I thought would be good for you and I as residents of the town.

Sincerely,  
Paul Russell Campbell

Dear Mr. Moynihan:

I wish through the medium of your newspaper you could encourage the children of our schools who are eligible to elect a foreign language in the school courses.

The time is not too far away when travel between foreign countries will be only a matter of a few hours, and many people will take the opportunity to travel, especially when most trips can now be budgeted.

I believe a better relationship would be created if people of the United States and other countries could converse in the native tongue of the foreign country here and abroad.

Many of us here in this country are Americans, born of many nationalities, and yet we fail to learn the tongue of our parents who emigrated to America.

Consequently, by not knowing how to read or write their language, we soon lose our ties with relatives in foreign countries.

I believe that the children of Arlington should avail themselves of the opportunity to utilize the fine lab system in the local schools.

Once these youngsters have mastered a given language I am sure that a new field of interest will be opened to them.

Sincerely You s,  
Christopher Cammarata.

for Service to our Country two are accepted and five are rejected as Physically Unfit. Mr. Rawson has given freely of his time for many years directing Physical Fitness Programs for the Boy's Club and the St. James Boys. He is still engaged in this worthy program for the youth of our Town.

I honestly believe Mr. Raw-

son's election to the Board of Selectmen will be an asset to the present Board and a Boon to the Taxpayers of Arlington.

Sincerely,

(signed)

Joseph J. Barry

## Talk Around Town

Ralph Lennon is a freshman at the Mass. Bay Community College... Dave Leonard has been assigned to Fort Baker, Calif... Athanasia Stacey has been elected secretary of Northeastern's freshman class... February is American History Month... Don't forget the Mothers' March of Dimes Jan. 28... Paul Cuenin, Jr., takes part in Advanced Management Program at Harvard Business School.

Warren Lindberg to attend sales personnel meeting of Jenney Manufacturing Co. at Dedham and Polo Club... Bob Porteus and John Spadaro responded to Red Cross Blood Center... Registration for grade 9 at Mt. Trinity Academy Feb. 10... Arlington-Belmont alumnae of Smith College sponsoring production of Sleeping Beauty, Feb. 3.

Who's doing the egg-throwing in Arlington?... Peter Adamian re-elected to the Board of Directors of Coolidge Bank and Trust... Watertown... Fire-fighters to install officers at K. of C. Hall tonight... More openings of renovated businesses in this area--Swanson's bakery opening new store across from Stop and Shop and in Lexington the newly renovated Lexington Gardens at 93 Hancock St.

Business was good and so were the doughnuts at Ann's Doughnut Shop which opened officially this week at the corner of Mass. ave. and Menotomy st... Boys Club construction moving at a fast pace--nearly opening in the late spring is now a good possibility... February 18 through 25 is Brotherhood Week... If your youngster has on a bathing suit and the water temperature is at summer time levels, moving around in water is not too difficult, but not so at ten above with skates and heavy clothes on--watch that thin ice.

Wouldn't a City Mart in Arlington be something--and Why Not?....

## Re-elected

State Representative Anthony M. Colonna of Framingham was unanimously re-elected chairman of the County Commissioners of Middlesex County at an organization meeting held Jan. 5 at the County Courthouse in East Cambridge.

Colonna, a State representative for the last eight years, was named to the County Commissioner last September to fill a vacancy created by the appointment of Commissioner Edward M. Buckley as County Treasurer. Colonna promptly was elected chairman at that time.

The organization meeting Friday was conducted by Edward J. Sullivan, Middlesex County clerk of courts and clerk of the County Commissioners.

## NEUTRAL OBSERVER

And what are we going to do with 108 articles at Town Meeting?

The zoning articles are the ones which floor the Observer. No less than 18 submitted by 10 registered voters. All of which goes to prove that the on-again-off again controversy caused by the zoning changes at last year's meeting was taken note of by more persons than it might seem.

And what happened to across the board pay hikes?

Another man in blue has left the employe of the Arlington police department for the M.D. C. staff, Patrolman Robert Roche left as of Jan. 12. Could it be the money involved?

Is Dunkin Doughnut in or out?

Arlington's overall rating with the New England Fire Insurance Rating Association is not up to what this group thinks it should be. Arlington's water system included in this rating is classified as the best in the state with a deficiency rating of only 183.

More work in the Center now in the rear of Dewey's. This entire building will be renovated in the near future, we hear.

Driving up a side street in the Old Maxwell last week, the Observer came up with a choice bit of political news--very inside, you know, its under the carpet until after filing--at least.

Russell Campbell is out officially in the Selectmen's contest he believes his side is not presenting a united front.

Has the Stratton school controversy hurt Charlie Kent's chances of election to the Board of Selectmen--so say some.

Tom Rawson is in for sure.

Tim Buckley was once again rumored as being a candidate for the Board of Selectmen also, but the latest indicates the rumor was just that--a rumor.

Though little attention has been called to the fact this year, Arlington's Park Dept. has done a fine job combining with the many clear cold nights of this month to keep N. Union, Wellington, Robbins and Waldo, Hills, Meadowbrook flooded for the youngsters in Town to try out their new Christmas skates.

Should get this old Maxwell tuned up especially with this new Safety Crusade group now officially organized.

## Leonard Wood Heads Mass Press Group

Leonard D. Wood, publisher of the Arlington Advocate has been named president of the Massachusetts Press Association.

The new head of the organization succeeds James Haggerty, publisher of the Woburn Daily Times.

Other officers named were Alan Adams of the Lexington Minuteman, first vice-president; Robert Hancock of the Chelsea Daily Record, second vice-president; and Clark Samuel, Foxboro Reporter, Raymond Sheldon, Webster Times, Herbert Austin, Wellesley Townsman, Cyrus Dolbear, Wakefield Daily Item, and Gordon Seavey, Belmont Citizen-Directors.

## Home Entered

Mrs. Kosak, 61 Walnut St., reported to Arlington police Jan. 18, that her house had been entered. Entrance was said to have been gained by breaking glass in the rear door after forcing the storm door.

## Relay Team Wins Third, Sets Another Mark

Arlington's relay team whirled to its third consecutive win of the season and in so doing set a new division mark of 2 minutes 57.3 seconds as the locals moved into a three way tie behind league-leading Natick in Met Track League competition, Saturday.

The local team, defending champs in the division took five firsts in nipping Watertown 41-36.

Bill Lewis won the 300 for the locals in 37.5; Dave Walsh of Arlington was second and Bob Sheehan of Watertown third.

Arlington's Bob Kelley took

top honors in the 600 in 22.7 with Warren Todd of Watertown finishing second and Jules Vaudo of Arlington third.

Bob Messina and Aram Kalayjian of Watertown finished one-two in the high jump with Milton Vargellis of Arlington taking the final spot; the height was 5 feet 5 inches.

John Sutherland won the 1000 for Watertown in 2:33.1; Arlington's Peter Fairchild and John Spengler finished second and third, respectively.

Watertown walked off with the first and second places in

the hurdles with Bob Messina winning in 6.7 and Aram Kalayjian finishing second; Paul Tierney grabbed off one spot for Arlington.

Bill D'Antauno won the 50 yard dash for Arlington in 6.0; Jon Wallace finished second for the locals and Jack Kerbeshian of Watertown finished third. Arlington took two of three spots in the mile with Clyde Ward emerging as the winner in 4:50; Don Pouliot of Watertown finished second and Dave Wellons of Arlington third.

Bill Fleeca of Watertown won the shot put with a toss of 43 feet 10 1/2 inches; Tony Fleeca of Watertown finished second and Don Kallis of Arlington took the third position.

Winners of Arlington's record-shattering relay were Bill Lewis, Jules Vaudo, Bob French, and Bob Kelley.

## Pee Wee Hockey Standing

Pee Wee Hockey League Standings as of January 20, 1962:

	W	L	T	Pts
Maroons	3	0	1	7
Black Hks	3	1	0	6
Bruins	3	1	0	6
Red Wings	3	1	0	6
Rangers	1	0	2	4
Canadiens	0	3	1	1
Rockets	0	3	1	1
Leafs	0	3	1	1

Rangers 1 Leafs 1:

The Rangers and Leafs battled to a 1-1 tie. John Capariras put the Rangers out front when he took a corner passout from Bob Preston and tapped it home. Dick Rowan tied it up later in the game after Brendon Donovan had carried the

puck deep into Ranger territory. Rowan drove a beauty into the far corner for his first goal of the season. Dom Apprillo made several spectacular saves in the Ranger net.

Maroons 3 Hawks 0:

The Maroons led by big Jim Largent were too strong for the weak shooting Hawks. Largent scored early in the game when he blasted one from the blue line that bounced off the goalie's glove into the net. His second goal was another long blast from the blue line that caught the goalie napping. Bill Thine assisted. Brian Titliah put the game on ice when he took a pass from Tootie Boudreau and lit the lamp.

Bruins 2 Rockets 0:

The hustling Bruins moved up into a tie for second place when they toppled the Rockets 2-0. Jeff Guiney started the scoring when he tapped in Paul Ciampa's rebound. Paul Ciampa made it certain when he blasted home a corner passout from Bob Bartholomew. Bill Burke who was great all day made several more fancy saves.

Wings 2 Canadiens 0:

The high flying Wings, led by Jack Curtin and Bob Heavern, were too much for the defending champs. Jack Curtin scored the first marker when he skated behind the Canadiens net and took an angle shot that bounced off the goalie's skate into the net. Tom Blouin gained an assist. Bob Heavern tallied on insurance goal when he took a pass up to the red line from Bob Green, carried it in close, and drilled a high shot into the right corner. Bill Burke made several tremendous saves in the Wings' goal.

### LEADING SCORERS:

	C	A	Pts
Jim Largent	4	1	5
Bob Heavern	3	0	3
Jack Curtin	3	0	3

## Junior West Pupil Builds "Oil Refinery"

Pupils in the science classes at Junior High West recently had an opportunity to see a working model of an oil refinery, thanks to the mechanical aptitude of Glenn Gallucci, a seventh grade pupil.

Tackling the problem as a science project, Glenn put together a plastic model of a refinery, complete with electric pumps which actually worked—sometimes. He demonstrated the working of the model for the other pupils. Interested in scientific matters, Glenn also recently dissected a starfish as a science project. His teacher is Mrs. Miriam Williamson.

(Continued from Page 1)

hands of the School Committee. School Committeeman John Morine replied in jest, "Thank you, it's about time."

Mr. Whitney opened the meeting with the statement that the committee had a "certificate of occupancy" from the architect, Mr. Phinney, and could occupy the building at any time. He also told those present that it was up to the School Department to furnish the classrooms. He added that this project could be started either Friday or Monday.

School Committeeman Charles Kent, also a member of the Building Committee stated that he was speaking in behalf of the School Committee and wanted to make clear the point that the School Committee did not want to be saddled with burden of finishing the school, and that the Committee wanted a completed building.

Supt. of School Maintenance for the Town, George Greim, was given authority along with Supt. of Schools, Dr. Bert Roens and the Contractor, to push the

project if possible, to furnish the rooms as soon as they are completed.

After making his motion, Town Manager Monahan stated that the approval for one thing would permit the town to release funds to the contractor. Committeeman Kent argued this point, stating that he would be against paying the contractor until the children were in the school and the work done, as past history had shown that things which were to have been completed, had never been done.

The Manager replied that the contractor would only be paid what was due him for work already completed and that the Committee would be holding back \$70,000 of the contractor's money until 65 days from final completion.

Another motion made by the Town Manager that the school custodians work after hours and on Sunday to clean classrooms and put the furnishings in place, and that they be paid \$1500 out of Committee funds was opposed from the floor by Mr. McCann.

McCann stated that the taxpayer's money should not be used to cover the error of the contractor.

The motion was passed with reservations from Committeeman Kent.

School Committeeman Mary Porteus was told in answer to a question that the ventilating system which had been noisy had been fixed and was nearly perfect.

Incidentals still not completed include cleaning glass in replaced lights, touching up

paint, sanding, correcting warped door in teacher's room, etc.

The entire meeting lasted approximately 45 minutes.

Present were Building Committeemen Daniel Whitney, Edward Gray, Charles Kent, Aubrey Tobey, and Town Manager Edward C. Monahan, and School Committee members Dr. Richard Baker, Dr. James W. Daily, Carl Allen, Arthur Coughlin, John Morine, Charles Kent, Mary Porteus, and Velma Brown.

Also present were Supt. of School Maintenance George Greim; Supt. of Schools Dr. Bert Roens; Contractor John Grande, Supt. of Construction Samuel Santore; Architects from Rich and Tucker, George Pluggi and Burton Phinney and Field Engineer from Rich and Tucker, Mr. Sutherland.

## Bldg. Comm.

(Continued from Page 1)

School Building Committee at its meeting on Thursday evening, January 18, 1962, following the receipt by the Building Committee of all essential safety certificates and certifications by the architect, both of which are pre-requisites to the use of the new structure for school purposes.

"Under the terms of substantial completion, the new school may be used to house youngsters beginning Monday, February 5, 1962, and school authorities have been so notified by the Building Committee."

"In the meantime, by agreement with the General Contractor, furniture and supplies may be delivered to the school for distribution by custodians and others to the various storage rooms, classrooms, etc., and the usual work needed to get the school ready for the school children will be done by the custodians. (This preparatory work is well on its way to completion at press time.)"

"Normally, such preparatory work requires several weeks but the Building Committee, in its desire that the school be ready by February 5, 1962, has authorized the Custodian Department to work overtime afternoons, evenings and Saturdays, so as to expedite the job of making the school 100 Per Cent perfect for the youngsters on opening day."

"In the meantime, also, the General Contractor will continue to work on the check list of unfinished items so as to get most of them done in the next week or ten days so that the teachers may have ample time to arrange their classes in advance of school opening. Other uncompleted items on the check list will be done by the General Contractor at various times in the future, which will be mutually convenient to the contractor and school authorities. Taken individually, these uncompleted items are relatively minor, but in the aggregate they represent quite a few hours of labor by the General Contractor and his sub-contractors."

"As in every major town contract, the Building Committee will hold in excess of \$70,000.00 from the amounts due the general contractor as assurance or guarantee that all contract items will be done in accordance with the contract specifications."

"When all contract items are completed, the Building Committee will give consideration to full acceptance of the school by the Town."

"The Building Committee feels that parents and children will love and be very proud of this new neighborhood school

## Apt. House

(Continued from Page 1)

the Residence C apartment district by the unanimous vote of the 1962 Town Meeting. (A small area in the vicinity of Clark Street somewhat off the Avenue would not be included in the new district.)

Miss Murdena Campbell, chairman of the Planning Board, stated that the Board has been studying the matter of apartment houses in connection with the land use studies of the Comprehensive Plan being prepared for Arlington. These studies indicate that the present height limitation in the Residence C district of 60 feet and five stories is not favorable to the construction of elevator apartment buildings under present market conditions. The Board is therefore recommending an increase to 75 feet in the proposed Residence C-1 district (the Massachusetts Avenue district). This would permit seven stories. No increase in the height limitation in any other apartment district is recommended at this time. Buildings used exclusively for residential purposes in the Business A district would also be allowed to rise to 75 feet except under certain specified conditions.

The above Warrant article also contains proposed regulations regarding parking and landscaping and recreation areas for all apartment districts of the town. These zoning revisions, which would affect only new buildings, would require automobile parking spaces off street and on land adjacent to the apartment building at the ratio of one parking space for each dwelling unit in the structure.

In the interest of encouraging more imaginative building design and insuring the availability of open space, landscaping and recreation areas would be required which would equal at least 30% of the gross habitable floor area of the first three stories and 20% of each story thereafter. Areas normally used as open space within the side yard and building setback distances could qualify in meeting this requirement. In addition, balconies whose areas would double their actual area could be used in partial or complete satisfaction of this requirement.

"The rezoning of the River Street-Garden Street area to permit the construction of apartment houses of not more than three stories (for which C-1 designation had originally been considered) will not be recommended this year by the Planning Board," said Miss Campbell. "Discussion at the informal hearing held by the Board of January 10 indicated that this matter requires further study before the Board reaches a decision regarding rezoning of the area."

## Sullivan

received his B.A. degree in government; he was an honor student. He later won a Master's degree.

"Jim" lives with his wife, the former Ann Hevner of South Boston and their three children, Maura 8, Mark 4, and Lianne 3.

## Throw Eggs

Mrs. Sheerin, 39 Inverness Rd., complained to police Jan. 19 that eggs had been thrown against the side of her house.

facility, which is well worthy to bear the name of the illustrious M. Norcross Stratton, a devoted citizen and educator in Arlington for a life time.

## Articles

(Continued from Page 1)

also requested the appropriation of \$51,300 for the installation of a boiler and incinerator at the Locke school and another \$13,400 for a sprinkler system at the Cutter school.

Article 70 is a request by the Planning Board for a new zoning classification (C-1). This request would call for extensive zoning changes throughout the community. Article 71 ties in with this article asking the change of zoning from C to C-1.

Article 72 would provide a new section in the zoning by-laws for fallout or blast shelters.

Articles 73 through 80 are zoning articles requested by 10 registered voters.

Articles 6 through 18 are pay and classification plans as requested by the Personnel Board. Articles 19 through 23 are requests for pay hikes in several departments requested by 10 registered voters.

Article 25 asks for an increase in vacation length to three weeks for town employees after 5 years service.

Article 26 requests a new pension plan for widows of retired police and fire personnel.

Articles 29 and 30 request funds to pay the Boston and Maine railroad for work in connection with work on Drake rd., and the Mystic St. crossing.

Article 31 is the General Budget article.

Article 32 requests \$17,000 for the extension of the Town's sewer system; 33 asks funds for work on the water system, \$25,000; 34 requests \$20,000 for storm drains; 35 asks \$20,000 for sidewalk and edgestone construction; 36 asks \$20,000 for the maintenance of public sidewalks; 37 requests \$25,000 for improvements to the drainage system; and 38 requests \$20,000 for improvements to the Town Yard.

Article 39 requests the Board of Selectmen be given authorization to abandon water easement adjacent to the Great Meadows.

Article 40 requests funds for Chapter 90 work on Mass. Ave. and Spring st.

Articles 41 through 47 concern requests for construction of public ways and Article 48 is the appropriation article for these, \$205,100.

Articles 50 through 60 concern requests for construction of developers streets and Article 61 is the appropriation article for these, \$17,100.

Article 62 asks for \$30,000 for the improvement and renovation at Robbins Library.

Article 63 is the request for the appointment of a Board of Directors of Youth Service.

Articles 64 and 65 are requests for cemetery funds.

Article 66 is the request for an appropriation for the Brotherhood Committee.

Article 67 is a request for drainage at Day st.

Article 68 asks for an improvement of water conditions in the rear of 48 Walnut st.

Article 69 requests funds for drainage in a swamp area at Forest and Lawrence lane, \$30,000.

Articles 91 and 92 ask for funds for improvements at Spy Pond field and Summer st. playground.

Articles 93 and 94 ask for the creation of a Conservation Commission and appropriation of funds for the same.

Article 95 is a request asking the Town Meeting to declare a need for Urban Renewal in the Town. Article 96 is a request by the Housing Authority stating that that body feels it should head up this new group.

Article 97 asks appropriation for Town Clerk's advertising.

Article 102 requests the appointment of a Patriotism Committee.

Article 103 is a request by the V.F.W. to purchase a sec-

Mr. Sweep and Magic Broom, the famous clown of Pleasure Island and Channel 7's "Circus Train" will entertain the small fry from the stage of the Regent Theatre 7 Medford st., at the Saturday Matinee, Jan. 27.

He will entertain the children with audience participation games, stories and funny antics; free prizes will be awarded to the lucky winners. Also playing on the screen will be the film classic "Princess Cinderella."

## Two Women Plan Campaign

Christopher Cammarata, candidate for Selectman in the March election told this paper this week that he will have two, possibly three campaign managers during the coming campaign, and all will be women.

Cammarata told the News that two women have already agreed to manage his campaign and that a third is completing assisting him with his campaign.

Cammarata has not filed papers as yet, but stated that he definitely will file prior to the deadline, Jan. 29.

He was the first to publicly let his intentions to run for Selectman be known last fall.

It is expected that he will name his campaign managers in a news release within the next ten days.

## Membership Drive

The Young Democrats of Arlington will hold their Annual Membership Drive at the Knights of Columbus Hall from 8:30 p.m. to 1 p.m. Jan. 26.

Dance Music will be provided by Bill Radd and his orchestra.

## Referred To Mgr.

A communication to the Board of Selectmen from Jack A. Marshall, attorney, 11 Brunswick rd., relative to the status of the property at 283 Pleasant st., corner of Brunswick rd., claiming that it is being used as apartments or a multiple dwelling unit which is a violation of the zoning By-Laws of this area and requesting that the Board take appropriate action has been referred to the Town Manager for a report.

## Better Service

Thomas J. McLernon, General Manager of the M.T.A. in response to a letter from the Board of Selectmen relative to a condition observed at Park Circle Terminal by Selectman Joseph P. Greeley, Dec. 15, advised that after careful investigation bus operators have been instructed that bus doors are to be opened to allow passengers to board at Park Circle while buses are waiting to start their scheduled runs and further advised that observations are to be made from time to time to see that these instructions are being followed.

tion of land at Winslow and Russell ter. for \$1.00.

Article 104 is the request for Christmas lighting appropriation.

Article 105 is a request to make the results of the roll call vote available at the Town Clerk's office.

Article 106 is the request for funds for the Stanley Benner Marine Detachment.

Article 107 is a request for the Stabilization Fund.

Article 108 is the request to use available funds in the determination of the tax rate.

11/16/61Commonwealth of Massachusetts  
In Equity  
(SEAL)  
To Michael Seiker and George  
Krawcinski, now or formerly of  
Arlington, in the County of Mid-  
dsex and said Commonwealth,  
or their heirs, devisees or legal  
representatives:Whereas a suit in equity has  
been begun against you in our  
Land Court, by John S. Gurich  
and Louis A. Gurich, of Billerica,  
in said County of Middlesex,  
Trustees of J & L Realty Trust;  
WE COMAND YOU, if you  
intend to make any defense, that  
on the first Monday of March  
next, which Monday is the re-  
turn day of this subpoena, or  
within such further time as the  
law allows, you do cause your  
written appearance to be entered  
and your written answer or other  
lawful pleading to be filed in the  
office of the recorder of said  
court at Boston in the County  
of Suffolk, and further that you  
defend against said suit accord-  
ing to law, if you intend to make  
any defense, and that you do  
and receive what the court shall  
order, adjudge and decree there-  
in.Hereof fail not, at your peril,  
as otherwise said suit may be  
adjudged, and orders and decrees  
entered therein, in your absence.  
The plaintiffs allege to be the  
owners of land located at 40-42  
Lundy Street, in said Arlington,  
and there appears in the chain  
of title affecting said property  
a running from Michael  
Seiker to George Krawcinski  
dated May 31, 1922, duly recorded  
in Book 4529, Page 134, wherein  
through inadvertence or mistake  
of the grantor, the deed recited  
that the conveyance was for a  
one-half undivided half interest  
instead of all his right, title and  
interest; that the plaintiffs and  
their predecessors in title have  
been in possession of the land  
described in said Bill since May  
31, 1922, and praying that their  
title be established.And it appearing to the Court  
upon the suggestion of the plain-  
tiffs that the whereabouts of  
some of the defendants are un-  
known, and they cannot actually  
be served with process, it is  
ORDERED, that notice be given  
by publishing a copy of this order  
once each week for three suc-  
cessive weeks in the Arlington  
News, a newspaper published in  
said Arlington, the last publica-  
tion to be one month at least  
before the said first Monday of  
March next.Witness, JOHN E. FENTON,  
Judge of our Land Court, the  
fourth day of January, in the  
year of our Lord one thousand  
nine hundred and sixty-two.MARGARET M. DAILY  
Recorder

New March of Dimes Poster Girl

When Debbie Sue Brown was born five years ago, doctors gave her only three months to live because of a serious birth defect known as spina bifida (open spine). Now she is the nation's 1962 New March of Dimes Poster Child—active, happy and planning to be a cowgirl in her home town of Clarkston, Wash., when she grows up. With her photo on millions of posters and coin collectors during the January March of Dimes campaign, she symbolizes the hope that expert medical care and research skills can bring to the 250,000 American infants born each year with a significant birth defect. Debbie Sue has received considerable National Foundation-March of Dimes financial aid for her medical treatment. In addition to birth defects, the March of Dimes organization is fighting arthritis and polio.

# Woman's Club Crusades For Seat Belts In Cars

Community-wide participation in the Arlington Woman's Club's "Crusade for Seat Belts" was urged by Mrs. Hollis M. Gott, president.

"Far too few of us are taking advantage of this proven life-saving device due, in part, to lack of full understanding of the needs and benefits to be gained through regular seat belt use."

Each year nearly 40,000 lives are lost, and approximately 1,500,000 citizens of all ages impaired or disfigured in traffic accidents because full advantage is not taken of recognized lifesaving devices now at our fingertips. Research confirms an immediate need for all motor vehicle passengers to be protected through regular use of seat belts.

To give national impetus to this need, the General Federation of Women's Clubs, as a part of its continuing lifesaving work, launched a "Women's Crusade for Seat Belts." In cooperation with the Auto Industries Highway Safety Committee, this crusade was begun in April of 1961 and is still going.

Mrs. E. Lee Ozbirn, GFWG president, commending the organization on its crusade.

It is estimated that over 2

million automobiles using our streets and highways are now equipped with seat belts for passenger safety. This indicates a growing acceptance of this proven automotive feature.

Three out of four traffic deaths take place within a radius of 25 miles of home and more than half of injury producing or fatal accidents occur at speeds of less than 40 miles an hour. A crash stop at only 15 miles an hour can kill a child in a split second. Thus, most of all, children should wear seat belts. Never drive with a child standing up. Encourage use of seat belts by teenagers. Seat belts help prevent passengers from being ejected. This is important because chances of being killed in an accident are five times greater if thrown from the vehicle. When the driver is held firmly in place by a seat belt, he is able to maintain better control of the car after a collision occurs. All occupants are safer if the driver is kept behind the wheel to control the car. Insist on an approved belt that measures up to standards

established by the Society of Automotive Engineers or the General Services Administration of the U.S. Government.

All 1962 model cars will be equipped with floor attachments for front-seat belts. This will lower the cost of installation.

Recent studies show that 5000 lives might have been saved last year if all occupants of automobiles had been using seat belts and serious injuries to occupants could have been reduced by at least one third.

Those who know say "the seat belt is the most valuable single safety device that can be easily installed on any car on the road, and that it will bring about a humane reduction of traffic casualties and a new comfort and peace of mind to the millions of Americans who have accepted the automobile as a way through its 16,000 clubs, and with the support of their 5 1/2 million members, we hope to play a part in cultivating public consciousness of another way to help prevent death and injury on our highways. "A MILLION AND 2 IN 1962".

NO OVERTIME PAY for these secretaries who are volunteering one night a week for four months to prepare for the 1962 Heart Fund drive. Members of the Beacon Hill Chapter, National Secretaries Association, they are, left to right: Mrs. Rosemary Nichols of Cambridge, Miss Ursula Gallant of Arlington, president, and Miss Gladys Tegoulis of Watertown.

## More Volunteers Needed For Polio Drive

Thousands of mothers of the Middlesex East Chapter of the March of Dimes will tour the residential areas next week asking contributions for the National Foundation's medical program that is aimed at three crippling diseases, Birth Defects, Arthritis and Polio.

Funds raised this year will help the chapter to participate in the new Bill Cunningham Birth Defects Center at Boston City Hospital while it continues to meet its obligation for polio cases stricken before the Salk and Sabin vaccines were discovered with March of Dimes funds.

Mothers understand the suffering a child can go through with birth defects, arthritis or polio and will be out in numbers, not only in the local area, but all over the nation, trying to prevent these crippling diseases.

Mrs. Wm. Richardson, 260 Broadway, and Mrs. Doris Reddy, 10 Russell St., the chairman in Arlington are seeking still more volunteers to help make the march a success. They may be reached at MI 8-1781 and MI 3-7715.

The Mothers' March in Middlesex East Chapter will be held starting Sunday afternoon, January 28. It will continue on Monday and Tuesday and there will be a final wrap up drive on Wednesday evening, January 31.

## John Bullock Opens Campaign Headquarters

John W. Bullock, candidate for the office of Selectman, opened his campaign headquarters early this week. The headquarters is located at 1058 Massachusetts Avenue (opposite Brattle Street) and formerly housed a large art gallery.

At the headquarters opening, John Blaffer, campaign manager for Bullock stated: "We selected this particular location because it is ideal for the many precinct meetings and other functions that we will organize in order to bring our candidate's views to the attention of every voter and taxpayer."

"I am confident that the voters of Arlington will enthusiastically endorse John Bullock for Selectman once they have had an opportunity to learn his views and the program he will soon unveil to cope with many of the problems confronting Arlington citizens and taxpayers."

**A Record**

Superior Court, Middlesex County, received a total of 7892 cases during 1961. It was announced this week by Edward J. Sullivan, Clerk of the Courts.

The total surpassed by 501 entries the previous high mark recorded during 1960, Sullivan said.

Top month during 1961 was June when 820 entries were recorded. Previously, the high total for a single month had been recorded. Previously, the high total for a single month had been March 1960 with 719.

### Cooperation At Lexington Garden

The newly expanded and modernized Lexington Gardens every customer who registers. at 93 Hancock rd., Lexington Adults and children both will bring a breath of spring to enjoy the Red Mill, the Mill midwinter at its Grand Open-Pond and the stream.-- And there are comfortable chairs

for adults to pause and rest after browsing among the thousands of plants in the huge greenhouse.

And the owners tell us that this is the only completely self-service store in the six state area complete with check-out stand.

Shades of the Old West may be viewed at the Gardens at Cactus Junction, the desert train and track, 5 foot Cactus covered wagons, cowboys, horses and cattle, stage coach on the trail, and the typical western town.

There is the wishing well, tropic land, USA, where orange, lemon and grapefruit trees abound together with many other tropical plants--then there are the African violets.

There is ample off-street parking at this modern center. A building 75 by 100 feet serves as the main retail unit. In the greenhouse attached are thousands of plants of all descriptions and other special attractions.

The gift shop is located in the front of the store--and there are garden supplies and tools, all types to fit any need.

When spring arrives on the scene an outside sales area will be bigger than ever. There will be 80 varieties of roses alone.

While all this is going on, the owners, the Millicans, have been potting some 3,000,000 small plants for wholesale market.

John Millican Sr. is the Manager behind this operation, while wife Anne is in charge of the gift section and retail shop.

Son Harold is in charge of maintenance and according to other members of the family, "there isn't anything he can't do." Another son Arthur is the grower and responsible for the top quality products available.

Last, but not least is John Jr., vice-president and general manager; he is the carpenter in the family and designed the new \$100,000 extension to the building.

Certainly, it is a family corporation and the success is directly due to the cooperation and natural abilities of mother, dad and three sons.

"Bachelor in Paradise"

& Carol Baker in

"Bridge to the Sun"

Mat. 1:15, Evs. 7:40

Visit us and see the transition to a modern and comfortable theater and enjoy an evening out at the movies.

## Temporary Club Small But Things Are Popping

### Candidate

I would like to take this opportunity to announce my candidacy for one of the three positions on the school committee to be filled in our Town Election on March 5th.

As a crucial time, such as exists presently on the international scene, the school systems throughout the country can have nothing short of qualified leaders.

Our schools are going to develop the future leaders, scientists, engineers, nurses, doctors, and skilled workers. We must therefore dedicate ourselves to the best possible training and instruction of tomorrow's citizens in accordance with the latest accepted standards of education. With this thought in mind you as voters of Arlington must decide who you want to represent you on the school committee on the basis of two things. First, what are the qualifications of the candidate and second what kind of influence will he bring to bear within the school committee.

Regarding my qualifications I was graduated from Boston University and also the State College at Salem. Before entering the U. S. Army I served as an elementary school teacher. Since discharged from the Army I have been employed as a teacher of mathematics and science on the secondary level in the Woburn School System. I am presently studying summers and evenings at Northeastern University for my Masters Degree in the field of pupil Guidance, and I was honored in 1959 by receiving a National Science Foundation Fellowship.

As to what sort of influence I would try to promote within the school committee let me say that the international situation and the technological age of which we are a part are such that we may have to expand our educational expenditures in the years ahead. However, the important thing is that you want well qualified school committee members who will spend your tax money wisely and make doubly sure that you get the absolute maximum return for each dollar that is spent on education.

If you believe as I do that we need new blood with sound planning, I earnestly ask you to consider me for the purpose of better serving the interests of the taxpayer and the school children of Arlington.

Very truly yours, Edward G. McCall

#### James Meehan

James Meehan, 22 Cleveland st., died Jan. 18.

Surviving is his nephew William E. Cox.

Funeral services were held from the D.W. Grannan and Son Funeral Home, 378 Mass. Ave., Saturday at 8 a.m. with a High Mass of Requiem at St. Agnes Church at 9 a.m.

#### BOARDS OF APPEALS TOWN OF ARLINGTON MASSACHUSETTS

##### Legal Notice

Notice is hereby given in accordance with the provisions of Section 4 Paragraph 5 of the Zoning By-Law that there has been filed by Realty Construction & Engineering, Inc. of Reading, Massachusetts an appeal from the refusal of the Inspector of Buildings to issue a permit to erect a single-family dwelling on Lot 40 Melvin Road, Arlington, Massachusetts. Said dwelling would be at variance with Section 13 of the Zoning By-Law. Hearing in regard to the said appeal will be held in the Hearing Room, located on the second floor of the Robbins Town Hall, Arlington, Massachusetts on Tuesday evening, February 20, 1962 at 8:00 O'Clock P.M. ZONING BOARD OF APPEALS Clifford E. Lenzil Secretary.

It may be a small temporary Boys' Club, but things are always popping. A couple of small games continue to appeal to the Cadets and Juniors, Checkers (the big ones called Texas Checkers) attract many and Nok Hockey and Pro-Hockey attract others plus various small games. Kulah, the oldest game in the world is being taught daily. It was played by caravan drivers 3000 years ago. A sketch of the game was found in the pyramids.

Mrs. Gloria Cooke has returned to her daily variety craft class. Dozens of Christmas decorations, and small gifts were made during the holiday season, but now entirely different projects are being made daily. Bottle caps, juice cans, scraps of wool all become something new and attractive. Tile covered flower pots that brighten any room, rope animals, copper wire and gimp necklaces and bracelets, arm

chair ash trays from burlap and jar lids, birthday candles, bird feeders, desk calendars and Nosey Nellie games are a few of the items that have been made.

The Stamp Club will resume its meetings on Sat., Feb. 3rd at 3:30 p.m. We hope all the "old timers" will be present as well as many new boys who are stamp enthusiasts. Bring your stamps for trading and your stamp book. New stamps will be available at cost and many used stamps are on hand for the newcomers. Will you be with us?

The Stamp Club would appreciate receiving any surplus used stamps from generous donors. Many Arlington residents in the past have answered our call and these stamps have been used by the boys to fill gaps in their stamp book pages. Stamps may be left at the Arlington Boys' Club, 1083 Mass. Ave., any afternoon or evening.
